

ACDA DISPENSATION REQUEST FORM INFORMATION AND INSTRUCTIONS

Dispensation Information

Competitors may ask for three (3) types of dispensations:

- ACDA National Championship Eligibility
- Single Event Dispensation Eligibility
- Competition Dance Level Change

In the event a competitor is not able to attend/compete at an event for which they registered for, due to extenuating circumstances, and the competitor would have required that event to be eligible to compete at the ACDA National Championship, the competitor may then request a dispensation.

The following are acceptable reasons for ACDA eligibility dispensations:

- Medical
- Extenuating Circumstances (must explain reason)

If a competitor feels that they are in the incorrect dance level and would like to change their level, they may request dispensation and state why they feel they are in the wrong division.

To request a dispensation:
